

Important Information Regarding Registration for School of Management Students

Department chairs will review all requests for overrides into School of Management classes. Please do not contact the individual instructors. **No overrides will be granted for any class in the School of Management if there is an open section of that class with available seats.**

If you are taking a summer course that is a prerequisite for a fall class you will be able to register for the fall class once you pay the deposit for the summer class. There is no need to submit a prerequisite waiver form.

Department chairs:

Carol.Friedman@marist.edu for override requests for the following classes:
